Complement this course with mat-based Pilates – ideal for helping strengthen core stability. See page 05 for further details.

Mat-based Pilates Course

Improve your core strength and posture through stretching, muscle toning and conditioning. Pilates is popular with dancers for stabilising and strengthening core stability, and correcting body alignment. Each session includes precision breathing, release stretching, Pilates movements and relaxation.

Also taking the Summer Intensive Examination Syllabus Course? Schedule a Pilates session before each class to receive the greatest benefit.
